Applying for Permission to Register Off-Campus

This form is for use ONLY during the Summer Term.

Generally speaking, once you have chosen to obtain your degree at Tisch School of the Arts, New York University, you are expected to complete all of your coursework at this institution. Classes in professional training, general education (liberal arts) and electives are seen as complementing each other and requisite courses in all areas are expected to be completed within the curriculum at New York University. Students interested in study abroad, for example, are encouraged to look at NYU-sponsored programs first before turning to any outside curriculum.

There are occasions when students will wish to seek permission to take non-NYU courses either abroad or off-campus at another university. Students who believe they have a sound educational reason for doing so are encouraged to apply for permission to pursue the study and have credits apply to their degrees here. There are two essential criteria governing this permission:

1. Permission to register at another university, whether inside the U.S. or abroad, will be granted only for compelling educational reasons. An example of a compelling educational reason might be a film student interested in bringing knowledge of Native American studies to her work in documentary film. A summer course that is part of a specialized program in Native American studies at another university would complement the student's program here and would be grounds for granting permission to register off-campus and have the credits applied to the Tisch degree.
2. In order to obtain permission, the course(s) should be in *subject areas* that are *not* taught at New York University. If the subject area of the course is available at New York University, students are expected to take courses in that subject at NYU. For example, a student seeking to take a psychology course at a local university over the summer between his junior and senior year would generally not be allowed to have those credits transfer, since there are a full range of psychology classes offered here at NYU.

To obtain permission, you should begin by speaking with a departmental advisor. If you then wish to pursue permission, fill out the Request for Permission to Register Off-Campus Form with the supporting documentation and submit it to your department chair for approval. After your department approves it, the form is forwarded to the Office of Student Affairs for consideration. Final approval is granted by the Office of Student Affairs.

Please be aware that permission is granted only after a careful review of both your educational rationale and the details of your intended plan of study.

Tisch School of the Arts Permission to Register Off-Campus Request Form

This form is for use ONLY during the Summer Term.

A number of additional conditions govern off-campus registration:

To be eligible for permission:

1. A student must have a minimum cumulative grade point average of 3.0 at the time of application.
2. The proposed off-campus coursework must be at a properly accredited four-year institution. Community college and junior college coursework is not transferable.
3. Credit for off-campus study cannot comprise any of the last 32 credits to be earned for graduation from New York University.
4. The proposed off-campus credit cannot cause the student to exceed the maximum number of transfer credits allowed by the student's department.

For the coursework to be credited to the Tisch degree:

1. Credit will be given only for coursework that has been approved on the Permission to Register Off-Campus form. If you plan on registering for a different course, you must obtain approval before the off-campus class begins.
2. A grade of "C" or better must be obtained for credit to be granted. Courses cannot be taken on a Pass/Fail basis.
3. After completion of your study, you must, at the earliest date possible, have an official transcript of completed work sent to the Tisch Office of Student Affairs. No credit can be granted without receipt of an official transcript. The transcript should be sent to:

Tisch School of the Arts, New York University
Office of Student Affairs
721 Broadway, Room 801
New York, NY 10003

Attn: Anita Gupta, Director of Academic Services

Please note that NYU operates on a semester system. If permission is granted to attend a university on the quarter system, credit will be granted according to the following formula: each quarter hour is equivalent to two thirds of a semester hour. A four credit quarter-hour course, therefore, will usually translate to two semester credits at NYU. (NYU does not grant fractions of credits.)

This form is for use during the summer term ONLY. If you intend to request permission to register off-campus during the academic year, you must use the application for Leave of Absence With Permission to Register Off-Campus Form.

Important: Approval will specifically not be granted for study abroad programs that duplicate programs available through New York University. Approval will generally not be granted to proposed credits in subject areas that duplicate subject areas available through New York University.
